CHRIST-CENTERED PARENTING

Do you ever feel ill equipped to talk about the cultural issues of our day with your kids? This session is designed to help you lead your children and teens in a confident and responsible way. This will equip you to address topics children of all ages face, including: Gender issues, depression and anxiety, pornography, addiction, same-sex marriage, dating, and more.

HOW TO READ YOUR BIBLE...AND LOVE DOING IT!

Do you WANT to read your Bible but just don't know where to start? No one would try to read a math book without guidance, yet that's often how we approach the Bible. This Next Step session will teach you how to read the Bible in an engaged way so that you will LOVE the time you spend in God's Word!

THE MODERN HYMNAL

There is a lot of discussion and controversy around modern corporate worship music today, and the main purpose of this session is to answer this question: *Does worship music in the church line up with the biblical truths of the Bible?* This class is a biblical approach to observing and analyzing the theology behind our favorite worship songs - the good and the bad.

PRACTICAL APOLOGETICS - A BEGINNERS GUIDE

The main purpose for this session is to help you understand and defend the Christian faith. The church is called to be equipped and ready to give an answer to anyone who asks about our hope in Jesus, but to do it in a gentle, respectful and loving way (1 Peter 3:15-16). Learn some practical tools that you can use to defend your faith and help you lovingly engage your friends and family with the truths of the gospel.

VERTICAL MARRIAGE

This session will help you learn the secret to a healthy marriage - if the vertical relationship with God is put first, the horizontal relationship between spouses will follow. Join the Metro Married Life team as they take you on a 5-week journey with humor-filled and relatable video sessions and fun group discussions.

Recommended workbook - \$10 per person

PASSION AND PURPOSE

God created you on purpose and for a purpose. What is it that God uniquely designed you to be passionate about? Maybe you have asked yourself... "What is my passion?" or "Is my passion my purpose?" If you seek answers to these questions, this Next Step Class is for you.

APOSTLES CREED

Throughout its history, the church has come up with carefully crafted statements that clearly define the core beliefs of the Christian faith. These are called creeds, and the Apostles Creed is considered the most important creed in all of church history! This session will unpack and explain what each part of the creed means and why it matters to our faith.
